LibX Main Page

Welcome to LibX!

This site may look sparse, but LibX 2.0 is fully alive and has a large and devoted user community.

All our development efforts right now is devoted to [LibX 2.0](#), which is available for the Firefox and Google Chrome browsers. You can give LibX 2.0 a spin right here and check if an edition exists for your community.

If not, keep in mind that anyone can create editions using the [Edition Builder](#).

How New Cases Are Changing by Day

- Authorities in Europe are scrambling to slow the spread of a virus that threatens to bring ailing health care systems to the brink of collapse.
- Singapore is easing restrictions on hundreds of thousands of migrant workers. Here's the latest.
